Workplace Plans: Osborne Guest House

Osborne House has been granted a Certificate for Extended Lockdown Period from 01 May 2020 by the Companies and Intellectual Property Commission (CIPC). This is the COVID-ready Workplace Plan for Osborne Guest House in accordance with *Annexure E, Workplace Plans, Regulation 16 (6)(b)*, of the Government Gazette, 29 April 2020.

As Osborne House operates as a family-owned Small Business, hereby the basic plan:-

1. The entire building has already been sanitized as per Certificate of Sanitization issued by Jeric Administrators.
2. Antibacterial Spray Surface & Air Sanitizers would be available in every bedroom and all the public areas.
3. All guests to wear and supply own protective masks.
4. All staff members (4 in total) to wear protective masks at all times.
5. Guests would be separated at least 1,5m at the Dining Room table during serving of Breakfast.
6. The size of the Business is 5 x Double Bedrooms (en-suite), with Lounge / Dining public area. Two of the Bedrooms are situated outside next to the swimming pool, while three Bedrooms are inside the main building.
